Hey Randy. The cds made their way through ORC signoff and are now with the SF Program. I expect Rick to sign them promptly As soon as I get the package back from SF, and I will be checking for it often, I'll immediately pdf the signature pages to you.

Do things seem to be on track to get me EPA signature pages for the three consent decrees by early next week? Let me know if there's anything I can do to help. I'll only need scanned signature pages next week, with the signed originals to follow.
